

## Tips for Using MyIntealth

We understand that you may be encountering technical difficulties using MyIntealth. Our customer service team is currently experiencing high telephone call and email volumes, which may result in longer wait times. To assist in the resolution process, please try the following workarounds before contacting us.

---

If you're experiencing trouble uploading your ERAS® photo, this may be due to the file size or dimensions. Ensure that your file meets the following specifications before uploading it:

- ✓ **Format:** JPG format
- ✓ **Max file size:** 150 KB
- ✓ **Size:** 2.5 x 3.5 in (passport size)
- ✓ **Depending on resolution (dots per inch), your pixel dimensions will vary:**
  - ✓ 96 dpi → 240 x 336 pixels
  - ✓ 150 dpi → 375 x 525 pixels
- ✓ Check your photo's file properties (size, resolution, pixels, etc.) in Microsoft Photos, Apple Photos, or Paint before uploading it.
- ✓ If your photo does not appear in MyIntealth after 24 hours, re-upload a new file that meets the requirements.

---

If your Application for ECFMG Certification shows missing school information fields:

- ✓ Refresh your browser.
- ✓ Please log out of MyIntealth completely and log back in to confirm before reaching out to customer service.

---

If you're inquiring about acceptable payment methods in MyIntealth, here's what you need to know:

- ✓ Credit/Debit Card: Valid Visa, MasterCard, Discover, or American Express card with security code. These do not need to be tied to a U.S. bank account.
- ✓ Cash payments are not accepted.
- ✓ For full details, see [Methods of Payment](#) on the Payment page of the ECFMG website.
